

COVER

Many special flower selections have been introduced from Kirstenbosch over the years, including this striking, true-breeding white form of the endangered 'Wine Cup', *Geissorhiza radians*. See page 159. Photo: Graham Duncan.

The Botanical Society of South Africa is a Non-Governmental Organization whose mission is to win the hearts, minds and material support of individuals and organizations, wherever they may be, for the conservation, cultivation, study and wise use of the indigenous flora and vegetation of southern Africa.
